

The Bromfords School and Sixth Form College

Provider Access Policy

Introduction

This Policy statement sets out the school's arrangements for managing the access of providers to students at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under section 42B of the Education Act 1997.

Student entitlement

All students in years 8-13 are entitled:

To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;

To hear from a range of local providers about opportunities they offer, including technical education and apprenticeships-through options events, assemblies and group discussions and taster events;

To understand how to make applications for the full range of academic and technical courses.

Management of provider access requests

Procedure

A provider wishing to request access should contact Tony Bennett (bennett@bromfords.essex.sch.uk).

We have well established links with Procat College, Basildon Council, Essex Apprenticeship Brokerage Service, Connexions, Make Happen, Career Ready, Brightside Mentoring and Anglia Ruskin University. We are actively seeking to widen this base.

Premises and facilities

The school will make the main hall, classrooms and private meeting rooms available for discussions between provider and students, as appropriate to the activity. This will all be discussed and agreed in advance of the visit with the Careers Leader. Providers are welcome to leave a copy of their prospectus or other relevant course literature in the school library and 6th form centre.
