Students should choose **four** subjects to study in Year 12 from the list below. We will discuss with students at the point of registration whether it is appropriate for them to ultimately follow a three or four subject programme of study. All subjects are A levels unless otherwise indicated.

For the BTEC and vocational subjects Single indicates that the qualification is the equivalent to one A level and Double indicates that the qualification is equivalent to two A levels. **If you opt to take a double qualification it needs to appear in two subject choices below.**
