Existing parents/carers will be aware of our updated branding of the school to match our aspirations for the students and the role our school plays in their development and preparations for their next steps. We are acutely aware of the financial challenges many are facing currently. The school has made significant changes to reduce the cost of school uniform for parents/carers whilst maintaining the high standards of uniform that we expect of our school community.

We continue to support parents/carers with the cost of transition from the current blazer to the new one and as communicated last summer, the following arrangements apply from September 2024.

- Students starting Years 7, 8, 9 and 10 in September 2024 must wear the new school blazer with the new re-branded Bromfords School badge and blue braiding.
- Students starting Year 11 in September 2024 can continue to wear their existing blazer until they leave the school or choose to wear the updated version.
- Regardless of the options provided above, the school blazer is not an optional part of our uniform. Please note, the old-style school blazer will not be able to be purchased as a new item from our supplier.
